

To all parents/carers

We are continuing to develop the Foundation Learning Outdoor classrooms. Being outdoors is particularly important for young children because it supports their social, emotional, spiritual and physical development, as well as well-being. Being outdoors can also support high levels of confidence and engagement. In our outdoor environments, our pupils can explore, practise and enhance their skills.

To develop these areas we are asking for donations of any of the following items:

Cardboard boxes	Cardboard tubes
Beads	Buttons
Pine cones	Kitchen utensils
Shells	Funnels
Small rocks/pebbles	Wooden logs
Wood scraps	Baking trays
Bolts and nuts	Baskets
Small sticks	Pieces of material (sheets etc)
Lollipop sticks	Scarves
Spoons	Hats
Old paint brushes	Corks
Marbles	Plastic bottles
Feathers	Planks of wood
Leaves	Cable reels
Bun tins	Wool and string
Ice cube trays	Polystyrene
Ribbon	Egg cartons
Pipes/guttering	Size 9-13 wellies

Please ensure that all items donated are clean.

We would also love donations of any unwanted soil or artificial grass.

Thank you for your continuing support
Foundation Learning staff
