

Reception/Year 1

Dear Parents and Guardians,

We hope you had a nice break over the Christmas holidays and are now ready for the Spring term.
We have lots going on this term for the children to look forward to.

Our topic this term is

Dangerous Dinosaurs

This exciting project teaches children about the different animals that roamed Earth millions of years ago and how they are related to animals that live on Earth today. As always we will be following the children's interests through out the topic and encouraging them to be independent and creative learners which will prepare them for the new curriculum.

We are very excited to be having visitors into school as part of this topic. Please search **Dinomania—Dino4hire online** to see who the visitors are and let us know if you think your child may be a little nervous and may want to sit next to a member of staff.

You will have received a letter giving you the opportunity to talk about this topic with your child and think of ideas that they would like to learn about in school. Please remember to return this to school.

Please keep your eye on our Twitter page to see updates of what your child is doing in school. (Twitter name - @ParcLewis)
