

Celebrations

is our new whole school topic.

Friday 10th November

Children are invited to come to school wearing their 'celebration' clothes. You could dress to attend a wedding or party. You could dress for St David's Day or a graduation. You could dress for a Christening, your birthday or even Valentine's Day. There are so many occasions that we celebrate with friends and family! We can't wait to launch our new topic with a whole school celebration and see our school family looking their best!

Volunteers

We are looking for volunteers to visit a class. We expect volunteers to stay in the classroom for 15 minutes, wear a celebration outfit and share a story with the children about the celebration. If you are interested please either speak to your child's class teacher or email Miss L Jones at jonesl3041@hwbcymru.net
