Snack

Please send fruit, yoghurt, or vegetables
for playtime snacks.

This term's class novel:
Ottoline and the Yellow Cat

Children are welcome to bring in their
own copies if they wish.

Topic

How do we make things move?

SOWM: Design thinking and engineering offer technical and creative ways to meet society's needs and wants.

In this Science & Technology project we will take a look at cam mechanisms.

We will experiment with different shaped cams before designing, making and evaluating a child's automaton toy.

Wellbeing Activities

- ❖ Daily Mindfulness sessions
- ❖ Empathy Lab Initiative
- ❖ Rights of the Child

Teams

Please could Teams be used just for homework, notifications and enquiries. We now have a 'Show the Class' section in assignments where you can post photos that your child would like to share with us. This will ensure that important information is not missed.

Please do not hesitate to contact me if you have any questions.

Thank you, Mrs Morgan
